PRESIDENT'S MESSAGE

October commenced with a workshop with our friend **Suthin Sukosolvisit**. Once again he demonstrated why he is one of our favorite speakers. He has an abundance of talent, a marvelous eye for design, and a genuine ability to transform our trees in front of our eyes to their best possible potential.

This month also included the Miami Bonsai Show at Fairchild Tropical Botanic Garden. Many of our members participated in showing our trees at the exhibit and people traveled long distances to see the bonsai abilities of the artists in South Florida. Many of you attended the event and I hope you continue to support all of the bonsai activities in our region.

As I indicated previously, our auction has been postponed to March 2008 to allow more participation from some of the area's people who are touring, doing shows, or had previous commitments. The more people who attend an auction, the more it makes it more fun and successful event. We have tried to accommodate the membership by moving our event. This is the most important fundraiser we have. It helps provide the funds in order to better afford the visiting artists and speakers. Please make plans to attend and bring your friends as well.

Our November meeting will be a Membership Workshop – so please bring your plants in to work on with the group. Remember, visiting shows and looking at other people's trees is fine and dandy, but you need to spend the time refining your own trees as well. We will also have our election in November for next year's slate of officers. See you then.

CHARLES MICHELSON

Winner of First Place Medium and Best of Show at the Annual Miami Show, Shimpaku Juniper, President of the Gold Coast Bonsai Society, Charles Michelson
