PRESIDENT'S MESSAGE

Those of you who attended September's Meeting participated in or enjoyed the workshop with our visiting master **Roy Nagatoshi**. Roy is a wonderful stylist and he demonstrated his talents on a wide variety of trees owned by the members of this club. His instruction on simplifying and reducing pines was superb as was his advice on the other junipers and tropicals he worked on. It's always a pleasure to have him visit our group.

The **First Saturday** this month will be a visit from our extremely talented friend **Suthin Sukolsolvisit**. He will be participating in a workshop and there are still spaces available. The workshop will be held at the clubhouse in Anita's development (in Dania Beach), in the afternoon at 1:00 p.m. For directions call Anita at (954) 989-4123. Since many of you will be visiting Miami the second weekend, please try to support the club and attend this meeting. Suthin might be slowing down his touring schedule next year so do not miss this opportunity to work with him.

November will be the Gold Coast's annual auction. I can't

begin to tell you how important this event is for our club as a fundraiser. The only way we can have the visiting masters our clubs enjoy many times a year is by virtue of the money we have in the treasury. We lose money on each and every speaker after paying for fees, hotels, meals and a percentage of airfare. Money making efforts such as the auction are critical to our ongoing operation. Please participate and bring friends to purchase items. Some small items I have purchased at auction have grown into some of my favorite bonsai. You can pick up a treasure relatively cheaply and support our club at the same time. Contact Anita at (954) 989-4123 with any questions you might have.

As a side note, **Joan Rizzi**, one of our club members for many years, is leaving bonsai because of some serious health issues. She has graciously donated her plants and pots to the club for the auction and we appreciate her thoughtfulness and wish her the best.

I want to thank our nominating committee for preparing the new slate of officers who will be leading the club for the next year.
