PRESIDENT'S MESSAGE

*H*appy Labor Day. The summer is practically over, even though in Florida it means we are entering our second growing season. Some of our plants that have slowed growing during the heat of the summer will once again spring back to life. Keep on fertilizing and enjoy some more maturity to your plants.

The last quarter of the year will be an active one for Gold Coast. In September we will have a visit and workshop with **Roy Nagatoshi**, one of our frequent and favorite bonsai artists. He has a tremendous amount to teach and a workshop with Roy is a great bonsai day, for participants and observers. The workshop is limited to ten people and the fee will be \$30 dollars. Please contact **Ben Liss**, First Vice President, (bonsaibliss13@aol.com) to reserve a place.

In October **Suthin Sukosolvisit** will be back for a visit. He will be available the first Saturday (October 6) of the month. Anyone interested please let Ben or me know so that I can reserve a room. If not enough interest is shown, I will make other arrangements. Unfortunately, when we have a speaker on a non-club day, the lack of participation can be embarrassing and not fair to the speaker.

November will be our club auction which can be a "fun" event and an important fundraiser for the club. It becomes expensive to bring in our speakers and this is one of the ways in which we earn enough money and allow that to occur. Come join us, enjoy the auction, and pick up a green diamond-in-the-rough at great prices to pursue your bonsai hobby.
